Show Plot

Based on the smash hit 1991 Disney animated feature and dating back to a late 18th-century classic French fairy tale, *Beauty and the Beast* tells the story of Belle, an intelligent young woman who feels out of place in her provincial French village. When her father is imprisoned in a mysterious castle, Belle's attempt to rescue him leads to her capture by the Beast, a grisly and fearsome monster, who was long ago trapped in his gruesome form by an enchantress. The Beast's enchanted household--populated by such beloved characters as Mrs. Potts, Lumiere, Cogsworth, and Chip--watch anxiously as Belle and the Beast grow to understand and befriend one another.
